

First announcement

Institute of Electron Physics
Ukrainian National Academy of Sciences

International Conference of Young Scientists and Post-Graduate Students

"IEP-2017"

23-26 May 2017

Dear young scientists, post-graduate and master's program students!

The Institute of Electron Physics of Ukrainian Academy of sciences organizes the traditional conference – "IEP-2017"

The scientific program will cover topics like:

- *physics of electronic and atomic collisions*
- *elementary processes and physics of phenomena in lasers and low-temperature plasma*
- *spectroscopy of molecules, crystals and disordered systems*
- *technology, properties and applications of materials for the functional electronics*
- *nuclear physics, nuclear-physical technologies, dosimeters*
- *automation of physical research*
- *charge particles interaction with substance*

General Information

- 1). The Conference will be held at the Institute of Electron Physics, Ukrainian National Academy of Sciences, 21 Universitetska st., Uzhgorod, Ukraine.
- 2). The Conference languages: Ukrainian, Russian, English, Slovak, Hungarian.
- 3). The scientific program will consist of Oral Presentations (15 minutes, discussion included).
- 4). The Conference Program and the accepted Abstracts will be published in the Book of Abstracts.
- 5). If you want to take part in this Conference, please register at the Local Committee by 20 February 2017.

You may send your Application Form via e-mail: iep2015.uz@gmail.com
